

## Welcome

In more than 900,000 classrooms across the U.S., students are participating in reading programs that set goals based on books read, chapters read and number of minutes spent reading. Additionally, music programs require a portion of the student's grade to be based on practice logs.

## Is the hottest selling educational gift on your shelves?

**Convenient** | set timer to count down or accumulate time

**Motivational** | encourages kids to participate in summer reading rewards program

**Portable** | read anywhere and store recorded minutes until deleted

**Kid tested. Parent approved.**

## Mark-My-Time connects with your customers year round:

### Back-To-School

The July-Sept back to school season is second only to holiday sales and mark-my-time is an excellent way to help your customers start the school year right.

### The Perfect Stocking Stuffer

Who doesn't love a big stocking filled with fun, little gifts? Stocking stuffers are the ultimate smart sales strategy. mark-my-time offers a smart, practical and educational gift that's priced just right.

### Summer Reading

As parents approach the summer break many are thinking about the family vacation, trips to the pool and how to keep children engaged in activities that promote educational growth. Libraries offer summer reading programs and mark-my-time is the perfect take anywhere summer reading tool.
